Re: United States v. Earl Martin, 20 Cr. 136 (NRB)

Dated: June 2, 2020

Dear Judge Buchwald:

I write with the consent of the Government to request a 30-day adjournment of the conference scheduled for Monday, June 8, 2020 in the above-captioned case. There has been one prior request to adjourn a conference in this case, which was granted. The parties are discussing a possible resolution of this matter, but Mr. Martin requires additional time to review his discovery in light of restrictions on computer access that have been in place for several months at the MCC. The parties consent to the exclusion of time under the Speedy Trial Act through the next conference date scheduled by the Court.

Thank you for your consideration of this request.

Respectfully submitted,
